2022 CAMPAIGN
Leadership Giving Report Form

Throughout the United States, leadership giving, defined as personal giving of $500.00 or more, is the fastest growing segment of contributions to local United Ways. Please help us document our success in this area and allow us to thank these generous donors personally.

Company/Business Name:	

Total number of leadership givers:	

Total dollar amount of leadership gifts:	

So that we may appropriately thank those who give at a leadership level, please provide us with the names and addresses of all who gave $500.00 or more. **This information will be used for acknowledgment only and will be held in the strictest confidence.** We do not share our database with any outside entity. We prefer to send a thank you to the individual's home address. If the company policy prevents sharing the home address with our United Way, then please provide names only and we will forward them to the employment address.
